We have been quite busy planning some fantastic holiday programs for

the upcoming Thanksgiving, Christmas, and New Year's seasons. Come join us on one of these fabulous, fun group vacations.

### NEW PRICING INCLUDES ALL TAXES & FEES

As you read through this new Vacation Update, please note that all pricing for land tours **NOW INCLUDES the taxes and fees** in the quoted price. The higher prices here reflect the addition of the taxes and fees and **DOES NOT represent a price increase.** We feel by stating UPFRONT the entire cost of the trip, including taxes, fees, and fuel surcharges, that we can now better reflect the true total cost of your vacation. We hope you feel this way too!

*Randy* Randy Case  
President, AFC Vacations

All Tour Prices are per person, double occupancy including air from SAN / LAX & Now include ALL taxes & fees Home Pickup Service, when included, must be within 40 miles of your nearest airport or pier. Additional charges will apply for pickups outside this area and will be quoted at the time of booking.

# NEW AFC FEATURES FOR 2012

## **Bags Fly FREE with AFC - a \$50 value**

Baggage fees have become the norm in air travel, but AFC has you covered. Your baggage fees are already included in your tour price. No more luggage hassles at the airport when you book with AFC Vacations.

## **50% Off Single Supplement - a \$155 to \$305 value**

**50% OFF Single Supplement offered on 20 AFC tours including 54 departures!** We have reduced many of our single supplements by 50%. **For the first 5 Solo travelers to sign up for each selected vacation - save between \$155-\$305 off the single supplement!** Make sure to ask about this valuable offer when calling us to reserve space on a tour. But hurry, at this rate, the rooms will sell out fast! See tour list on back cover.

## **Home Pickup Included - a \$70 value**

AFC pioneered the concept of home pickup over 20 years ago. We arrange your airport/pier transportation ahead of time, reconfirm on your behalf, and pay the driver tip. Most involve charter vans just for AFC clients, so there are no unnecessary stops or circling at the airport. This service extends to all 6 S. Calif. airports, plus San Antonio & Austin. An extra charge will apply outside a 40 mile radius of your nearest airport. Only applies to cruises over \$1799 p.p.

## **More Extended Choice Dinners - a Great Feature**

For 2012, you will find more choice of menu or extended choice dinners on your AFC vacation. This will offer you more choices of starters, main courses, and desserts so you can order what you want for dinner. This exciting feature is a big hit. It gives you a lot of flexibility to eat what you want. Other operators charge much more for this feature, but not at AFC!
